# Strategic Framework

## MISSION STATEMENT:

Our mission is to implement an efficient in-country stock build-up process, ensuring ample stock to meet customer demands.

We are committed to conducting product trials to establish performance benchmarks where necessary.

## COMPETENCE:

The Founder **Lyford Banda** brings vast product expertise and experience in drilling consumables from a top-tier supplier. His hands-on knowledge of **Zambian Copperbelt** aids in selecting optimal products for diverse mining conditions.

## VISION:

To be the first choice drilling consumables supplier.

Work Culture

Credibility | Respect | Fairness | Pride | Camaraderie

## Organization Structure

Board of Directors

Administration and Finance

Technical, Sales and Marketing

Logistics and Warehousing

## Dedication To Quality

We aim to delight customers through high-quality products and services.

To achieve this, we commit to continuous improvement, employee development, manufacturing standards, quality framework, defect prevention, and strengthening our supply chain.

# Safety and Environmental Policy

**Drilconza** operates on core values that extend beyond the boardroom. We believe it is our responsibility to make a difference and enrich the lives of people in our communities and across the country.

We are ethically and environmentally considerate in our operations and uphold the highest expected standards as prescribed in the country's environmental policy.

We embrace activities that have a positive impact on society's environment and economy.

We believe in going the extra mile to ensure that we dispose of litter responsibly.

As our initiative is to grow year after year, we have plans for community projects on the Copperbelt and intend to continue providing ongoing support to them.

We are dedicated to supporting worthy endeavors in our communities and are always seeking projects that offer us a chance to make a long-term commitment and a lasting difference. For suggesting an initiative or finding out how you can participate, **please contact us.**

## IN SUMMARY

As a drilling consumables supplier, we are committed to environmental sustainability and safety.

We prioritize providing products that meet high safety standards and minimize environmental impact at every stage.
